

R E M A R K S

Claims 1 - 7 are pending in the present application. Claim 1 has been amended and claim 8 has been canceled. The Examiner rejects Claims 1 - 7 under 35 U.S.C. §112, first paragraph, as allegedly failing to comply with the written description requirement. The Examiner objected to 8 as being dependent on a rejected base claim, but otherwise allowable if rewritten. Applicants have amended Claim 1 to incorporate the elements of Claim 8. Applicants respectfully believe the claims are in condition for allowance.

CONCLUSION

All grounds of rejection and objection of the Office Action of May 30, 2008 having been addressed, reconsideration of the application is respectfully requested. It is respectfully submitted that the invention as claimed fully meets all requirements and that the claims are worthy of allowance. Should the Examiner believe that a telephone interview would aid in the prosecution of this application, Applicant encourages the Examiner to call the undersigned collect at (608) 218-6900.
